

Lettering Policy for Minnesota High Schools
Border Skating Club of Fort Frances
February 2019

To receive an athletic letter for Figure Skating the skater must exhibit a positive attitude, use appropriate language, and display responsible actions on and off the ice. Additional requirements are based on the following criteria along with a Coach's and the Board's recommendation:

___The skater must be a Senior level skater in grade 7-12

___Meet the MN State High School League for Athletes requirements. Parent and skater have reviewed and understand the MN State High School League for Athletes requirements at:

(<https://www.mshsl.org/mshsl/Publications/code/handbook/HandbookTOC.htm?ne=8>)

Parent Signature:_____ Skater Signature:_____

___Skate Canada member in good standing

___Comply with the Rules and abide with the Violation Guidelines as outlined by the school in the student handbook, as well as the Border Skating Club.

Must meet a minimum of 2 of the following requirements for current year:

_____Have taken one Skate Canada test in any area (use back to list more tests)

Test(s) Taken: _____ Date: _____

_____ Date: _____

_____ Date: _____

_____Participated in the annual Ice Show

_____Participated in any non-qualifying or qualifying competition

The skater must show continued effort on elements, fulfill any volunteer obligations, and have good attendance at practice.

Coaches may also award letters to skaters under the following circumstances:

- If a skater would have met the above criteria but due to extenuating circumstances (i.e.illness/injury) was unable to compete/test in an event in which they were registered for or participate in the Ice Show.

Skater must submit the following to a board member two weeks prior to the end of the regular season:

- This Form
- Official High School Transcripts
- One coach recommendation

I, _____, have read the above and understand the criteria for lettering in figure skating. Non-compliance with this policy could result in not lettering for the season.
